<b>Important Notes</b>	Service fee charged by affinity sports and PlayMetrics is not included. Processing fee per card transaction: 2.9% (of transaction amount) + \$0.30 USD.																	
Registration Platforms Affinity & PlayMetrics	In order to register, each player will be given a player code to register and pay the State Assisiation fees( UYSA) after that, players will also be required to pay the first club fee installment through the Playmetrics platform, you will also receive an invite to be part of the team you made after tryous																	
Uniform option 1	\$335	Higher Division players will need to buy the entire kit uniform, includes 2 jerseys, 2 shorts, 2 socks, warm ups and back pack																
Uniform option 2	\$210	no back pack and warm ups just 2 jerseys, shorts and socks																
<b>Club fees</b>	Club fees cover various things, from game field rental fees, to website, admin, indoor field, among others.																	
<b>Coaches Fee :</b>	If a current full team decides to join PAC we can adapt coaches fee based on the coaches preferences, meaning the coaches fee could be lower than what's explained above																	
<b>Provisional HS fee :</b>	There is an additional training fee for players (U15 & up) that opt to play club and not High School, the fees are \$275 for non PAC players and \$145 for PAC players																	
<b>Winter &amp; Tournaments:</b>	All Tournaments and winter leagues depend on the team and player availability. We recommend 2-3 tournaments per year. Older age groups may want to do more to be seen by college scouts																	
<b>Sibling discount</b>	we offer a 5% discount for any extra sibling that plays in the club. This will be applied for the player in the lower cost team.																	
<b>Disrctct competition option</b>	if a team has a volunteer coach and they want to play the lowest level of soccer in the state, we offer the option to play district level, talk to any board member if you have questions about this option
